Total: 109,558

Avg boardings: 54,779

Color coding:

- = notable downward movement
- = notable upward movement
- Station on SW Lines
- Station on SE Lines

Total does not match system ridership figures reported by Finance, due to figures above **not including special trains** for events and miscellaneous ridership not attributed to a specific station. However, special event riders on regular trains are included in ridership averages. Includes secondary effects of normal holidays and school vacations.

Covers period of Automatic Passenger Counts from May 3, 2009 through August 22, 2009.
