## RTD Board meetings now available for virtual attendance on Zoom

*Accessibility and familiarity reasons for change to new platform*

DENVER (Feb. 1, 2021) – The Regional Transportation District (RTD) will make available the RTD Board's committee meetings, study sessions and monthly meetings live on Zoom beginning tomorrow using a Chrome or Firefox browser. Access to the Feb. 2 meeting is available via [this link](#), which can also be found in the meeting agenda and on the Two Week Calendar through the Board's [meeting portal](#). Please check the Board of Directors calendar for the most current information and a full list of Board events.

Since the spring of last year, RTD has looked to provide efficient and convenient ways for customers and the general public to listen and participate in Board meetings. The Zoom platform was chosen because of its familiarity, accessibility and ease of use. Using Zoom will also allow for up to 1,000 meeting attendees.

Through video conferencing, the Board will be more accessible than ever and with the dial-in option, attendees will have multiple ways to connect with their elected officials.

### ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD's buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
