

RTD light rail maintenance work to temporarily suspend service on E and R lines June 26-27

Bus shuttles will be provided; customers should consider alternate stations for travel

DENVER (June 23, 2021) – The [Regional Transportation District \(RTD\)](#)'s E and R Line light rail service between Dry Creek and Lincoln stations will be temporarily suspended for routine maintenance on Saturday, June 26 and Sunday, June 27.

The E Line will operate between Union Station and Dry Creek Station, and between Lincoln Station and RidgeGate Parkway Station.

The R Line will operate between Peoria and Dry Creek Station, but will not operate south of Dry Creek Station. The F Line remains suspended per COVID-19 Service Plan.

Regular service on all lines will resume Monday, June 28.

RTD will provide bus shuttles at these affected stations:

- Dry Creek Station: Board bus shuttle at Gate B
- County Line Station: Board bus shuttle at Gate C
- Lincoln Station: Board bus shuttle at Gate D

Customers should anticipate delays due to the maintenance and are encouraged to explore alternate routes if their trips are impacted by the rail closure. Customers who usually park at RidgeGate Parkway, Lincoln or County Line Park-n-Rides are encouraged to utilize RTD Park-n-Rides at Dry Creek, Arapahoe at Village Center, Orchard or Belleview stations to reduce the likelihood for delays.

Customers must wear a mask while riding any RTD vehicle, per federal mandate.

The best way to keep up to date on service impacts is to follow the RTD Twitter account at @RideRTD and to sign up for Rider Alerts. For route and schedule information, please call RTD's Telephone Information Center at 303.299.6000. Call 303.299.6089 for the speech and hearing impaired. Visit RTD's website at RTD-Denver.com.
