

## **RTD's 16th Street Free MallRide will not run during "Meet in the Street" Labor Day weekend**

*Free MetroRide will provide alternate service on 15th and 17th streets*

DENVER (Sept. 1, 2021) — The Regional Transportation District (RTD)'s free shuttle service along the 16th Street Mall will not operate during the "Meet in the Street" event this weekend.

Meet in the Street will take place from Saturday, Sept. 4 to Monday, Sept. 6 from 10 a.m. to 9 p.m.

Meet in the Street is hosted by the Downtown Denver Partnership, the city and county of Denver and RTD. Featuring live music, games and activities, the event allows everyone to safely re-engage and reconnect in the city center.

The 16th Street Mall will be closed to all automotive traffic and the Free MetroRide will operate on 15th and 17th streets between Market Street and Civic Center Station. The Free MetroRide will operate on 16th Street between Union Station and Market Street.

Because the alternate mall shuttle service will be running on streets with general traffic, Free MetroRide buses will be used instead of the regular MallRide shuttle to help with passenger safety and rider capacity. Passengers who normally travel the 16th Street Mall will be able to catch the Free MetroRide buses at all bus stops on 15th Street (heading towards Union Station) and 17th Street (heading toward Civic Center Station).

It's still a requirement for all RTD customers to wear masks while riding RTD vehicles, per federal mandate.

Signage will be placed on 15th, 16th and 17th streets to help direct people to the temporary shuttle stops and ambassadors from the Downtown Denver Partnership will be on hand. Riders are encouraged to plan accordingly and allow extra time for their trips.

For route and schedule information, please call RTD's Telephone Information Center at 303-299-6000. Call 303-299-6089 for the speech and hearing impaired.

### **ABOUT RTD**

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD's buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
