

Saturday work to impact some RTD rail service on the University of Colorado A Line

Bus shuttles will provide service between impacted stations

DENVER (Sept. 28, 2021) — The [Regional Transportation District \(RTD\)](#) will perform necessary maintenance that will impact commuter rail service on the University of Colorado A Line between 40th Ave & Airport Blvd•Gateway Park and Denver Airport stations on Saturday, Oct. 2. Bus shuttles will serve the line between impacted stations.

At each of the affected stations, customers can board bus shuttles at the following locations:

- 40th Ave & Airport Blvd•Gateway Park Station: Gate A
- 61st•Peña Station: next to the platform
- Denver Airport Station: Gate 7

The University of Colorado A Line will continue to operate between Union Station and 40th Ave & Airport Blvd•Gateway Park Station during the work.

Customers should anticipate delays and are encouraged to explore alternate routes if their trips are impacted by the rail closure. Regular service will resume Sunday, Oct. 3.

Per federal mandate, a mask is required while riding on or waiting for RTD vehicles, including while outside on agency property.
