

Elevator at RTD's 41st•Fox Station closed for maintenance Wednesday morning

Bus shuttles available for customers who require elevator access during planned work

DENVER (Oct. 18, 2021) — The [Regional Transportation District \(RTD\)](#) will repair elevator glass at the 41st•Fox Station from 7:30 to 11:30 a.m., Wednesday, Oct. 20. During this time, the elevator on the Inca Street side of the pedestrian bridge will be out of service. The elevator on Fox Street will remain in service. Work to repair glass on the Fox Street side that was originally planned for Wednesday will take place later this year.

Bus shuttles will support B and G Line customers who require elevator access to the pedestrian bridge between Fox and Inca streets.

Check the RTD website before you travel for schedules and to [plan your trip](#).

Per federal mandate, a [mask is required](#) while riding on or waiting for RTD vehicles, including while outside on agency property.

ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD's buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
