

## Scheduled work to affect RTD light rail service between Dayton and Florida stations

*Customers urged to plan alternate routes during overhead wire replacement Aug. 16-17*

DENVER (Aug. 11, 2022) — The [Regional Transportation District \(RTD\)](#) will perform necessary maintenance that will affect light rail service on the H and R lines **Wednesday and Thursday, Aug. 16-17**. The scheduled work will improve reliability and safety along the line.

During the work, the **H Line will not operate between Southmoor and Florida stations, and the R Line will not operate south of Florida Station**. Work is being performed to replace overhead wires at Nine Mile Station beginning at **12:01 a.m. Wednesday, Aug. 16**. Regular service on the H and R lines will resume **Thursday, Aug. 18**.

Bus shuttle service will connect customers between the Southmoor, Dayton, Nine Mile, Iliff and Florida stations. Shuttle service locations for each station are as follows:

- Southmoor Station – Gate A (shared with Bus Route 46)
- Dayton Station – Shuttle stop in the roundabout
- Nine Mile Station – Gate E
- Iliff Station – Southbound on Anaheim Street, Gate A
- Florida Station – Eastbound on Florida to the shuttle stop

R Line customers traveling toward Peoria Station will need to take the E Line light rail to Southmoor Station and board bus shuttle service to Florida Station.

RTD encourages customers to use its [Trip Planner](#) and [Next Ride](#) web apps to plan a trip and see bus and train locations in real time. Customers may also sign up for [Service Alerts](#) for specific route information.

### ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region.
