

Maintenance work to impact RTD A Line commuter rail service Sept. 13-14

Bus shuttle service will connect customers between 40th Ave. & Airport Blvd•Gateway Park and Denver Airport stations

DENVER (Sept. 7, 2022) — The [Regional Transportation District \(RTD\)](#) will perform scheduled maintenance work that requires de-energization of a portion of the overhead electrical system for A Line commuter rail service on Tuesday and Wednesday, Sept. 13-14.

Service on the A Line between 40th Ave. & Airport Blvd•Gateway Park and Denver Airport stations will be interrupted over a 48-hour period beginning Tuesday and continuing through the end of service on Wednesday. Regular service will resume Thursday, Sept. 15.

While lines are de-energized, crews will make repairs to the overhead electrical system at 61st•Peña Station and perform maintenance work at Denver Airport Station, including concrete work, testing of a fire suppression system, replacement of glass panels in the canopy located over the rail platform and inspection of a soil nail wall.

- RTD is offering bus shuttle service to connect A Line customers between 40th Ave. & Airport Blvd•Gateway Park and Denver Airport stations. A Line customers can access the shuttles at the following gates:
 - 40th Ave. & Airport Blvd•Gateway Park Station – Gate D
 - 61st•Peña Station – In front of station
 - Denver Airport Station – Gate 7

Customers should anticipate delays and are encouraged to explore alternate routes if their trips are affected by the rail closure. Use RTD's [Next Ride](#) web app to plan your trip and see bus and train locations in real time. Check the RTD website before traveling to explore alternate routes, view schedules and [plan your trip](#).

ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region.
