

RTD to conduct overhead light rail wire maintenance on D, E and H lines, causing closure of four stations May 23-25

RTD Service Disruptions webpage, Service Alerts and Next Ride apps provide best transit options to avoid delays

DENVER (May 16, 2023) – The [Regional Transportation District \(RTD\)](#) will perform necessary maintenance that will impact light rail service on the D, E and H lines and close the Alameda, I-25•Broadway, Evans and Louisiana•Pearl stations **Tuesday through Thursday, May 23-25**.

During the scheduled work, **D Line trains will not operate between the 10th•Osage and Englewood stations**, and **E Line trains will not operate between the 10th•Osage and University of Denver stations**. Trains will operate every 30 minutes at stations that remain in service.

H Line trains will not operate between University of Denver Station and downtown. Trains will operate every 30 minutes between Florida and University of Denver stations.

Crews will deenergize the overhead power lines to replace overhead wires at I-25•Broadway Station beginning **Tuesday, May 23**. Regular service on the D, E and H lines will resume **Friday, May 26**.

Due to an ongoing staffing shortage, RTD is not able to offer bus shuttle service to affected stations during the scheduled maintenance. Alternate transportation options include RTD bus routes [0](#), [0L](#), [3](#), [9](#), [11](#), [12](#), [21](#), [51](#), [52](#).

RTD recognizes the inconvenience of this maintenance work and appreciates customers' patience and understanding. Customers are encouraged to take advantage of the agency website and transit apps to stay informed of changes to transit services and quickly find options for alternate routes to avoid delays.

RTD offers several tools and [mobile apps](#) that are designed to improve customers' transit experience. For details on impacts to RTD services, view [RTD Service Disruptions](#). Use the [Next Ride](#) web app to plan a trip and see bus and train locations in real time. Sign up for [Service Alerts](#) for specific route information.

ABOUT RTD

The Regional Transportation District develops, operates and maintains a public transportation system that meets the transit needs of close to 3 million people within an eight-county service area in the Denver Metro region. RTD's buses, rail lines, shuttles and additional services provide approximately 100 million annual passenger trips.
