Total: 221,329

Average boardings: 110,665

Total does not match system ridership figures reported by Finance, due to figures above not including special trains for events and miscellaneous ridership not attributed to a specific station. However, special event riders on regular trains are included in ridership averages. Includes secondary effects of normal holidays and school vacations.

Covers Automatic Passenger Counts from May 19, 2019 to August 24, 2019
