

TRANSIT SERVICE

Average weekday revenue service hours increased by 13% between 2006 and 2019. From 2018 to 2019, there was a **23% increase in rail service hours** mainly due to the opening of the G line and the Southeast Rail Extension.

COVID TRANSIT SERVICE

On April 19, 2020, RTD reduced service hours across all service types in response to a significant decline in ridership due to Stay-at-Home orders. **Overall service hours were reduced by about 40%.**
