Teams Meeting

1. Welcome Introductions / Safety Moment

2. Review Computer Generated Maps

- Clear Map – Assumes a clean start, using only using similar communities as a guide
- Alternative A – Adjusts existing boundaries the minimal amount to achieve 5% nominal from the mean Director District population – assumes each Director stays in their District
- Alternative B – Same as Alternative A, more adjustments, with the goal of achieving minimal population spread between Districts
- Alternative C – Adjustments made without consideration for Director location

3. Survey Update

4. Discussion on Keeping Directors in Existing Districts

5. Next Steps
