A conversation with Vince Buzek, chair of RTD’s 15-member elected board

This month, the RTD Board of Directors elected Vince Buzek as its chair for the 2022 term. A Chicago native, Buzek grew up relying on public transportation.

As a council member for the city and county of Broomfield from 1999 to 2007, Buzek was active in transit issues and participated in the decision for Broomfield to publicly support FasTracks. Buzek was elected to the RTD Board in November 2018 and took office in January 2019.

RTD Board of Directors enacts new structure to its committees

Continue
Starting this month, RTD's Board of Directors is moving ahead with a new structure to its committees, changes that the 15-member group approved late last year. The approach establishes four standing committees and a separate, independent audit committee. It also allows public commentary to be provided at and before committee meetings, provided such comments are relevant to the topics in the published meeting agendas for the current and immediately preceding months. RTD debuts enhanced Service Alerts system, including text notifications
RTD has debuted an enhanced Service Alerts system that allows for signups down to the stop level – and notifications can now be sent by text message, a change that customers have long been requesting.

These modifications are made possible as RTD moves from one marketing platform, GovDelivery, to another, Salesforce, to manage subscriptions and send email. The previous system provided customers with notifications to the route level. The new system offers more targeted notifications, including direction of travel and specific stops. Individuals can elect to be

Mask up! Face coverings remain required on RTD services

Please pack a mask when you ride with RTD: Face coverings are required per federal mandate through Jan. 18, 2022 – a fact that applies while on RTD vehicles and agency property, including while outside. To learn about all the ways RTD has worked to keep customers safe during the pandemic, visit the COVID-19 webpage.

RTD provides services, support to Marshall Fire victims
Two words that don’t often appear together: winter wildfires. But these are what were seen last Thursday, Dec. 30, when hurricane-force winds of up to 110 mph drove a rapidly moving fire across dry landscapes in the northwest part of the region, including Superior, Louisville and parts of unincorporated Boulder County.

When the Marshall Fire was completely contained this week, it had burned over 6,200 acres, destroyed nearly 1,000 structures and damaged 127 others. Tens of thousands of people were forced to quickly evacuate their homes, not knowing which way the winds would shift.

RTD offering $4,000 hiring bonus for key frontline positions

RTD is hiring bus and rail operators, technicians and mechanics and offering a $4,000 hiring bonus. RTD offers its employees growth opportunities, stability, and on-the-job training along with a comprehensive benefits package.

To learn more about available positions, visit the Careers page on RTD’s website.
You may be able to ride RTD for 40% less.
